

11th ICFP

40th Anniversary of ICFP

1st Call For Papers

The 11th International Conference on Fluid Power Transmission and Control (ICFP2025)
April 14-16, 2025, Hangzhou, China

Key Topics

- Components and systems
- System design and system integration
- Condition monitoring and diagnosis
- Hybrid drive and control
- Actuators and sensors
- Mobile applications
- Industrial applications
- Pneumatics and robotics
- Tribology and fluids
- Aerospace, marine and transportation
- Connectivity and data processing
- Water hydraulics
- Digital hydraulics
- Biomedical systems
- Sustainability and energy efficiency

- **Abstract submission**
- Notification of abstract acceptance
- Submission of full paper
- Paper acceptance notification
- Final paper submission

August 15, 2024
September 15, 2024
October 15, 2024
November 15, 2024
December 31, 2024
